

Vu Cancellation Policy

The following policies apply for all products fulfilled by VU:

Once your order is placed with Vutvs.com, it is immediately forwarded to the product management team. So it is not possible to cancel an order after it has been placed on Vutvs.com.

Our customers can sit back and relax since our product undergoes a proper quality assurance procedure before being dispatched.

We make sure that our customers do not face any circumstances where in the order cancellation is required.

However still, in case of an unfortunate circumstance like manufacturing error or more, you can contact our customer care executives at Support-india@vutvs.com or call us at 1800-22-8455 and inquire more about it.
